PATIENT JUMPS FROM A HOSPITAL WINDOW.

Joseph Steigerwald Dead in Yard After Plunging From Five-Story Height.

Soseph Stelgerwald, fifty-five year old, a painter and decorator of No. West Twenty-first street, Coney Island, committed suicide to-day by the German Hospital, at Seventy-seventh street and Lexington avenue.

For the past five weeks Steigerwald had been a patient of the hospital and occupied a private room. He was suffering from an incurable malady and was to have gone home on Tuesday.
Shortly after noon he asked his nurse
to get him a glass of milk. She had
hardly left the room when he climbed
out on the window sill and leaped down paved courtyard below. He was

BIG GAME

T'S GREAT TO BE THE MAN ON THE JOB.

I like to see a fellow live up to what is expected from him.

And so I tip my hat to Mr. O'Neill of the State Athletic Commission. He was the busiest bee in town at that box fast in Madison Square Garden last night whereat Mr. Pa-a-a-ckey MoFarland, from the County Rescommon, lammed Matt Wells, or whatever-is-his-name, of England good and plenty. Mr. O'Neill' stood at the gate, waved off all yearning once who hadn't the ducats to buy a pasteboard, directed the gray-coated constabulary who hept order, bossed the officials in charge of the boxers and in a grand climax of glory posed in front of the moving picture battery, aided by a cane like the one carried by Knockout

nothing but four straight would suit him during his stay here. It is rather dot that neither the Phillies nor Brookize on both teams are out with injuries, but yasterday the Dodger cripples proved better than the Phillie invailds.

Brooklyn fans shouldn't overlook the
fact that Dahlen outdid David Harum
when he swapped Doe Scanlon to the
Phillies for Eddie Stack. About as soon
as the deal was announced Scanlon retired from bassball for good, so the
Phillies fave away a star pitcher and
received nothing in return.

Stack pitched his drat game of 1912
and held the Phillies in zeturn.

Stack pitched his drat game of 1912
and held the Phillies of star his. At no
time was he in danger. He had great
curves and speed and showed Matinewson headwork. Stack is lighter and
more ambitious than he was last asson
and should prove the star right-handed
running mate of Nap Rucker.

Charles Ebbets was at the game and
two price of the mather.

Charles Ebbets was at the game and
two price of the mather.

Brooklyn fans shouldn't overlook the
fact that Dahlen outdid David Harum
Stack pitched his drat game of 1912
and held the Phillies of zero david the price of careling time.

Stack pitched his drat game of 1912
and held the Phillies to zix hits. At no
time was he in danger. He had great
curves and speed and showed Matinewson headwork. Stack is lighter and
more ambitious than he was last asson
and should prove the star right-handed
running mate of Nap Rucker.

Charles Ebbets was at the game and
was poined to zee a crowd of less than
1,200. Because of the absence of Manager Dooin, Markee. Dooian, Lobert,
Knabe, Walsh and Killber, interest in
National League baseball here is as dead

Nati

1.—That the captain of the skip gave no heed whatever to the few warnings he received that there was tangerene fee ahead, and through he went down like a here with his ship, he also carried to his watery grave the responsibility for more than 1,500 decide.

S.—That even with the captain's sulpable responsibility for the awful tangedy there might have been a chance for except if the lockwate were equipped with a ten-feller pair of night glauses.

But there is poor consolation for the survivors to shift the blame from the captain, who would not heed warnings of danger, to the company which would not equip its men on watch with proper glauses. The calamity grows no smaller by moving the pieces on the cheseboard. It has in its staggering ensembly already borne fruit that would have taken years of agitation to accomplish.

SOME TIME AGO I EXPRESSED | SURPRISE as to why any young man starting out in life should elect for his vocation the whacking of select for his vocation the whacking of a big drum or the tooting of a slide trombone. But I have since learned that the drummer in an orchestra now-adays has to work his brain, hands, feet, lungs and elbows in carrying out the odd mess of imitations that figure
